

5th Biennial International Radiosurgery Research and Education Meeting October 27-29, 2023 / Miami, FL

The **International Radiosurgery Research Foundation (IRRF)** presents its fifth scientific research meeting, in collaboration with **Baptist Health South Florida**, from **October 27-29, 2023** at the Ritz Carlton in Coconut Grove, Florida. The meeting is designed to increase the scientific knowledge-base and levels of evidence related to the use of the stereotactic radiosurgery. An international faculty of pioneers and leaders will present and discuss their clinical advances and innovative therapies.

Target Audience:

Neurosurgeons, Radiation Oncologists, Radiologists, Neurotologists, Medical Physicists, Researchers, Business Managers, Resident/Fellow Physicians, Nurses and Physician Assistants

Call For Abstracts:

Abstracts for poster presentation now being accepted through August 31, 2023. Posters will be on display throughout the meeting on October 28 & 29. Notification of acceptance, presentation details and poster size will be sent on or before October 8, 2023. Awards will be presented for the best overall abstract and for young investigators (under 30 years). To submit an abstract, click on this link: <https://forms.office.com/r/5MXHuNZGYd>
